LIKE ROME . . .

WE WERE NOT BUILT IN A DAY

It takes time to achieve perfection. Even after 115 years in the building society business we still aim for this ideal. But in this time we have become a medium size society, among the best in the criteria which matter —

SECURITY, SERVICE, RESERVES, LIQUIDITY.

So when investing money — if you are not in the mood for risks, demand the best, expect the most — write to us or call.
